Mrs. Truex's thoughts.....

Welcome to May! The annual NE Colorburst 5K was once again a huge success! Thank you to all who participated, planned, and volunteered! We were blessed with a beautiful and colorful day! PARCC testing has been completed. The students worked so hard and did their very best every day! Picnic Fridays begin May 5th and be sure to check out the calendar for all the May events. Please remember that 26 volunteer hours must be completed by May 19th. We are super excited to have an all school hot air balloon demonstration! From the school nurse:

Do you have a child entering Kindergarten?

There are some important requirements that you should be aware of before school starts. Until completed, your student will not be able to attend school. Our goal is that every child have all of the requirements completed at registration.

Proof of the following is required:

- Physical exam (must include diabetes screening)
- Lead screening and up-to-date immunizations
- Proof of residency
- Certified birth certificate

Don't forget to plan ahead! Proof of an eye exam is due October 15th and dental exam by May 15th. If you have any questions, please don't hesitate to contact your child's school.
