ATTENDANCE:

Let's work hard to meet our 98.6% goal each day.

Attending School Every Day Matters!

To report absences please call 444-3050. A Skylert message will go out to all families who have not reported an absence by 9:00.

Dress Code Reminders:

Please remember NE dress code requires solid colored socks (white, navy, black, or brown). Also, belts are required. If you need assistance with dress code items please contact Mrs. Bell at 444-3072.

Mrs. Truex's thoughts.....

Welcome Back! We have had a wonderful start to our new school year! We have a few new faces. Mr. Lockhart is our new music teacher. Miss Dolan is our building aide, and two new faces in our lunchroom, Mrs. Jones and Mrs. Richards. Please join us in welcoming them to our NE family! This summer Mrs. Alyea's class were the Balloons over Vermilion ambassadors! They did a wonderful job, and represented us well! Pool Nights have been well attended! What a great way to get volunteer hours! Finally, I would like to say thank you to all staff, students, and parents for being so committed to Northeast Elementary Magnet School!

From the school nurse:

Special Health Needs

If your child has any special health needs, please communicate this directly to me. This information can be very important to a successful experience in school. Examples of these needs are:

Food allergies

Bee sting allergy

Difficulty with hearing, vision or speech

Need for medication during the school day

Need for special aids such as crutches, walkers or wheelchairs on a temporary or permanent basis.

AVID Elementary Going Strong at NE

We will be continuing our goal to become a spotlight school for AVID Elementary. AVID (Advanced Via Individual Determination) provides students with best practice strategies to enhance learning. The goal is to develop a college and career readiness culture in the building grades K-6. Be looking for strategy information in classroom newsletters, our website, and our monthly newsletters.

Strategy for August: What does a successful student look like? At school, students discussed and illustrated characteristics of a successful student. You can talk with your child(ren) at home about the same thing.
